PROFESSIONAL PROFILE

Project manager and business owner with direct responsibility for customer communication, partner relationships and online visibility. Sole owner of Tourfixer, managing a network of over 20 drivers, and co-founder of AdvoAI. Combines hands-on business operations with Google Ads campaign management and SEO, AEO and GEO expertise across travel technology, legal AI and education.

PROFESSIONAL EXPERIENCE

Tourfixer | Owner and SEO Specialist

2026–Present | Travel technology | tourfixer.uz

- Grew organic search clicks from 0 to an average of 200 per day within six months, measured in Google Search Console.
- Manage ongoing Google Ads campaigns for Tourfixer alongside organic search optimisation.
- Conduct keyword research, write search-focused pages, implement technical SEO fixes and structured data, and develop backlinks. Use Google Search Console and GA4 to monitor performance.
- Manage relationships and service negotiations with more than 20 drivers, alongside local guide partnerships, for transfers and tours across Uzbekistan.
- Handle customer enquiries and complaints directly. Manage website copy, social media and day-to-day operations as the sole owner.

AdvoAI | Co-founder

2026–Present | Legal technology | advoai.uz

- Co-founded AdvoAI with khudoykulov.uz and contributed to a working MVP with the team using AI coding agents, covering legal questions and contract-related tasks.
- Our first prototype placed eighth among 30+ teams in the entrepreneurship track of the National AI Hackathon.

ADDITIONAL PROJECT EXPERIENCE

txielts | txielts.uz

- Digital project providing free IELTS Reading and Listening practice, band score calculation and AI-powered answer explanations.
